**Do you care about the well-being and safety of children & youth in our community?**

**Child and Family Services of Grand Erie Foundation (CFS GE Foundation) is recruiting community volunteers to serve on its Board of Directors.**

## **Governance Opportunity**

CFS GE has a provincial mandate to provide child protection services in City of Brantford, the counties of Brant, Haldimand, Norfolk and Mississaugas of the Credit First Nation communities. Together with the entire community, we share the responsibility of nurturing, protecting, educating and guiding all children, youth and their families. Without a little bit of help, many children and youth in care, as well as disadvantaged youth in our community, would miss out on opportunities readily available to those of us who are privileged. The CFS GE Foundation works hard to ensure no one misses out.

If you believe all children in our community are equally deserving, we encourage you to submit a letter of interest stating the reasons why you would like to join our CFS GE Foundation Board of Directors. You must be an individual eighteen (18) years of age or over and reside, primarily carry-on business, or be employed in the area served by the agency.

CFS GE Foundation is committed to having a Board composition that reflects the cultural diversity of our community and the diverse population we serve with respect to age, gender, Black, Indigenous, People of Colour, 2SLGTBQ+, religion, ethnicity, etc. **We encourage individuals with lived experience of marginalization to apply and self-identify in their letter. A list of the particular skills, experience, and expertise we are seeking can be seen in the sidebar to the right.**

Public Relations
